

First International Colloquium on Smart Grid Metrology

Split, Croatia; 24th – 27th April 2018

Smagrimet '18

Sponsors and exhibitors brochure

Organized by:

Supported by:

What is Smagrimet?

The initiative of assembling international experts in the area of smart grids and broad range of its applications in ubiquitous sensors, smart cities, vehicles, medicine and beyond.

Our mission?

To exchange university and industrial knowledge and ideas and to foster interdisciplinary cooperation and networking in a vibrant and relaxed atmosphere of beautiful Croatian coast.

Why exhibit?

To highlight your brand's market presence and to make chance for all the attendees and prospective clients to catch up state-of-the-art technology, instrumentation and software.
